Subject: Request from Pastor Vince at Lakeshore Community Church

Gene,

We were looking at your web site and we were wondering if you could add this to your parent guide.

You are welcome to park at Lakeshore Community Church
But please use the Little League driveway
To exit and enter onto Latta Road .

Thank you for not using the church parking lot entrance or exit!

We saw that you addressed the Fire Department Parking lot and would like to have our parking lot addressed too on your web site. The parents are welcome to park at LCC but please do not use are entrance.

Thanks,

Kathy Shepanski
