Mr. Gene Noga, President  
Greece Little League  
PO Box 16133  
Rochester, NY 14616

Dear Mr. Noga:

It has come to our attention that participants associated with the Greece Little League are parking at North Greece Fire District Station No. 1 located at 645 N. Greece Road. This practice must discontinue immediately as it has hampered access to our fire station by emergency personnel. **Parking at the fire station is strictly for North Greece emergency response personnel.**

We are aware that your organization has knowledge of this problem and has taken steps to correct the matter. We appreciate your efforts and request that you, again, convey to all participants that parking at our fire station is prohibited. North Greece Fire District does not wish to ticket vehicles, however, continued violations may result in such action be taken.

With your help, we are confident that the problem can be corrected. Thank you in advance for your continued assistance with this matter.

Sincerely yours,

William A. Miller, Chairman  
Board of Fire Commissioners  
North Greece Fire District
